COMPASS Testing

COMPASS is a placement test offered from 8:00 am to 2:00 pm Monday through Friday in the Testing center without appointment. Students are allowed to test a total of four times in each area (writing, reading and math). Students may test the first two times free of charge. The last two tests cost \$5 each.

CLEP Testing

CLEP testing is offered by appointment only. Students wishing to take the CLEP test must fill out the application and submit it along with a **\$15** test administration fee. Once the application and fee have been received, the Testing Center will contact the student to set up a testing date and time. CLEP charges a **\$72** fee for testing in addition to the \$15 administration fee.
