## **Schools receives equipment from college grant program**

(Press Release 04-07-10)

Eastern Oklahoma State College GEAR UP for a Brighter Tomorrow Web/Computer Tech Specialist George Larson recently delivered over \$6,000 of technology equipment to each of the schools listed below.

“We were excited to be able to provide technology to our GEAR UP partner schools,” said GEAR UP Project Director Linda Morgan. “During these tough economic times, it’s great to be able to help.”

The schools listed below are among 23 schools who partnered with Eastern Oklahoma State College’s GEAR UP grant. Eastern received the \$6.7 million federal GEAR UP grant in 2006 and is in its fourth year of implementation. The grant provides tutoring services, calculators to Algebra–Ready cohort students, academic incentives, field trips, summer camps and more for students. Each partner teacher received \$100 to purchase instructions materials for the past two years. The grant also provides professional development for teachers.

“The GEAR UP staff is working hard to support partner school personnel and students,” added Morgan. “We want the best for these students. We are working with the schools to enhance their chances of graduating and attending college.”

### **Antlers**

GEAR UP Web/Computer Tech Specialist George Larson recently delivered more than \$6,000 of technology equipment to Antlers Principal Bryan McNutt. Antlers received two HP 510 laptops, 56 ExamView CPS RF System Pads, and one ExamView Learning software.
