## College coach thanks community

(Press Release 03-07-11)

Open letter to the community:

On behalf of the Eastern men's basketball team, I would like to thank the administration, faculty, students, and community for their tremendous support of our team. Although I do not know the facts, it has to be in my opinion, one of the biggest turnarounds in college sports history. Going from zero wins in 2010 to 19 wins in 2011 is truly phenomenal. I do believe the best is yet to come.

As a coach, one of my greatest desires for next season is to have each and every home game in 2011-2012 sold out. It was a truly outstanding atmosphere in our arena when our Chamber of Commerce brought the Harlem Ambassadors to perform in Wilburton, Oklahoma. I desire to see that for Eastern basketball in the future.

Once again, thanks for making our season special.

Scott Edgar, Head Coach
