

**Welcome
to
Eastern**

Welcome to Orientation. These two days are designed to help you get a “jump-start” on college. They are also designed to assist parents of residential students to understand how your college experience will be in the coming year.

Sunday August 8 is designed for all residential students and their parents. You will receive credit for registering and attending.

Monday Aug 9 is a continuation of Sunday for residential students and the first day of Orientation for commuter students. There will be mandatory sessions on Monday August 9 that you must attend as you will gain college credit for registering and attending Orientation.

Please read the enclosed brochure so you know everything you must do on your first two days of college. We look forward to seeing you in August.
