**EASTERN BASEBALL SHOWCASE CAMP**

Date: October 20, 2013 (Sunday)

**Camp Description**

Eastern Oklahoma State College will host a Showcase Camp designed for high school players in the region. Players will receive great recruiting exposure while competing against top tier talent. Several players on our 2013 roster attended one of our Showcase Camps.

The camp will be conducted similar to a professional try-out camp. At the beginning of the camp, position player skill evaluations will take place. All position players will run a 60 yard dash, then be evaluated at their respective position and then take batting practice. Following the position player work out, the Pitchers will throw a bullpen to evaluate arm strength and pitch ability.

To be fair on evaluation time of every player and for camp organizational purposes, please contact (email/call) if you plan on attending.
