Verification information

What is verification and why was I selected?

Verification is the process by which certain required information on the FAFSA is reviewed for accuracy and completeness.

Students are selected for verification for one of the following reasons:
- The Central Processing System found inconsistencies and/or potential errors in the student’s FAFSA
- Random selection
- School selection

Steps to complete verification:
1. Collect income tax and other required documents
2. Review SAR to determine if there are any requests for documentation
3. Complete all sections of this worksheet, sign it, and send the completed worksheet, income tax and other official documentation to the financial aid office at your school.

The financial aid office will notify you if there is additional documentation needed or any other questions to be answered. After verification is complete, you will be notified about the amount of financial aid you are eligible to receive.

The financial aid office cannot process your financial aid package until verification has been completed, so it is imperative that you provide the required documents as soon as possible.

Supplemental Nutrition Assistance Program (SNAP-Food Stamps)

The student certifies that a member of the student’s household, received benefits from the Supplemental Nutrition Assistance Program or SNAP (formerly known as the Food Stamp Program) sometime during 2011 or 2012. SNAP may be known by another name in some states. For assistance in determining the name used in a state, please call 1-800-4FED-AID (1-800-433-3243).

The student’s household includes:

- The student.
- The student’s spouse, if the student is married.
- The student’s or spouse’s children if the student or spouse will provide more than half of their support from July 1, 2013, through June 30, 2014, even if the children do not live with the student.
- Other people if they now live with the student and the student or spouse provides more than half of their support and will continue to provide more than half of their support through June 30, 2014.

Note: If we have reason to believe that the information regarding the receipt of SNAP benefits is inaccurate, we may require documentation from the agency that issued the SNAP benefits in 2011 or 2012.
