2014-15 V3 Child Support Verification Worksheet
2014-15 V3 Child Support Independent Student Verification Worksheet

Verification information

What is verification and why was I selected?

Verification is the process by which certain required information on the FAFSA is reviewed for accuracy and completeness.

Students are selected for verification for one of the following reasons:
- The Central Processing System found inconsistencies and/or potential errors in the student’s FAFSA
- Random selection
- School selection

Steps to complete verification:
1. Collect income tax and other required documents
2. Review SAR to determine if there are any requests for documentation
3. Complete all sections of this worksheet, sign it, and send the completed worksheet, income tax and other official documentation to the financial aid office at your school.

The financial aid office will notify you if there is additional documentation needed or any other questions to be answered. After verification is complete, you will be notified about the amount of financial aid you are eligible to receive.

The financial aid office cannot process your financial aid package until verification has been completed, so it is imperative that you provide the required documents as soon as possible.

- A copy of the separation agreement or divorce decree that shows the amount of child support to be provided;
- A signed statement from the individual receiving the child support certifying the amount of child support received; or
