Nursing (AAS)

Basic Licensure Program

LPN/EMTP - RN Transition Program

Director Gina Bullock recognized Triphornia Mubaiwa of Zimbabwe as Eastern Oklahoma State College's 2021 Outstanding Graduate of the Nursing Division. Mubaiwa graduated in the top 10 percent of her class with an associate of applied science degree in nursing and an overall 3.92 grade point average. While at Eastern, Mubaiwa was active in student organizations on campus and also served as a math and nursing tutor. She was a member of the Phi Theta Kappa honor society, and served as treasurer of the Student Nurse Association and president of the Math and Science Club.

She also served as a residence hall assistant, volunteered with Shared Blessings in McAlester, and was selected to participate in the McAlester Regional Health Center's nurse externship program. Triphornia is the daughter of Godfrey and Priscilla Mubaiwa. She plans to attend Northeastern State University this fall to pursue a bachelor's degree in nursing.

Eligibility Requirements by the State of Oklahoma for Licensure

The Eastern Oklahoma State College Nursing program is approved by the Oklahoma Board of Nursing. Graduates of this state-approved program are eligible to apply to write the National Council Licensure Examination (NCLEX) for registered nurses. Applicants for Oklahoma licensure must meet all state and federal requirements to hold an Oklahoma license to practice nursing. In addition to completing a state-approved nursing education program that meets educational requirements and successfully passing the licensure examination, requirements include submission of an application for licensure, a criminal history records search, and evidence of citizenship or qualified alien status [59 O.S. §§567.5 & 567.6]. To be granted a license, an applicant must have the legal right to be in the United States (United States Code Chapter 8, Section 1621). In addition, Oklahoma law only allows a license to be issued to U.S. citizens, U.S. nationals, and legal permanent resident aliens. Other qualified aliens may be issued a temporary license that is valid until the expiration of their visa status, or if there is no expiration date, for one year. Applicants who are qualified aliens must present to the Board office, in person, valid documentary evidence of:

1. A valid, unexpired immigrant or nonimmigrant visa status for admission into the United States;
2. A pending or approved application for asylum in the United States;
3. Admission into the United States in refugee status;
4. A pending or approved application for temporary protected status in the United States;
5. Approved deferred action status; or
6. A pending application for adjustment of status to legal permanent resident status or conditional resident status.

The Board has the authority to deny a license, recognition or certificate; issue a license, recognition or certificate with conditions and/or an administrative penalty; or to issue and otherwise discipline a license, recognition or certificate to an individual with a history of criminal background, disciplinary action on any professional or occupational license or certification, or judicial declaration of mental incompetence [59 O.S. §567.8]. These cases are considered on an individual basis at the time application for licensure is made, with the exception of felony convictions. Potential applicants to state-approved education programs, with a criminal history, may obtain an initial determination of eligibility for licensure or certification from the Oklahoma Board of Nursing for a fee. The initial determination of eligibility for licensure petition can be accessed at <http://nursing.ok.gov/initialdeterm.pdf>.

DIVISION OF HEALTH SCIENCES

Nursing (A.A.S.)

The A.A.S. in Nursing is designed for students who wish to become eligible to take the examination for registered nurses (RN) upon completion of the two year degree. Students who desire to become candidates for the Associate Degree in Nursing are required to make a formal application to the Division of Nursing for admission. The application and admission policy is available in the Nursing Department and on Eastern's website at www.eosc.edu/nursing and must be submitted on or before February 15th for the basic program and Oct. 1st for Transition program of each year. Formal approval by the Nursing Division is required before a student is admitted into nursing courses. Admission is highly competitive and applicants must meet the minimum requirements of a 2.5 GPA and an ACT composite of 19. Please see Nursing Handbook for admission policy (eosc.edu/nursing).

Eastern Oklahoma State College nursing program is approved by the Oklahoma Board of Nursing and is accredited by the Accreditation Commission for Education in Nursing (ACEN), acenursing.org, 3390 Peachtree Road NE, Suite 1400, Atlanta, GA 30326.

The A.A.S. in nursing has two tracks:

- **Basic Licensure Program.** Two years (four semesters) of full time academic study are required to complete the program.
- **LPN/EMTP - RN Transition Program.** This track is available to students who have been practicing as Licensed Practical Nurses (LPN) or Paramedics (EMT-P). To enter the Transition program, the LPN/Paramedic must pass examinations in nursing fundamentals, obstetrics and pediatrics.* Students in the Transition program must maintain an active and unencumbered license until completion of the program.

After completion of the A.A.S, the graduate is eligible to take the NCLEX–RN exam. Upon successful passage of this exam, the student becomes eligible to practice as a registered nurse and may pursue an advanced nursing degree.

*Graduates of ACEN accredited practical nursing programs may be exempted from this testing through direct articulation.

Basic Licensure Nursing Program (A.A.S.)

Required Hours	68
General Education Courses	18
Orientation	1
OLS 1111 Orientation	1
Behavioral and Social Sciences	9
POLSC 1113 Amer Fed Gov.	3
PSY 2103 Developmental Psychology	3
<i>Take One of the following courses:</i>	
HIST 1483 American History to 1877	3
HIST 1493 American History since 1877	3
Communications	9
ENGL 1113 Freshman Composition I	3

ENGL 1213 Freshman Composition II	3
CIS 1113 Computer Applications	3

Program Requirements 49

Core 34

NURS 1118 Intro to Nursing Science	8
NURS 1218 Family Nursing	8
NURS 2118 Physical & Mental Illness I	8
NURS 2212 Current Issues in Nursing	2
NURS 2218 Physical & Mental Illness II	8

Supporting Sciences 15

BIOL 2114 Human Anatomy	4
BIOL 2204 Human Physiology	4
BIOL 2124 Intro to Microbiology	4
NUTRIT 1203 Nutrition	3

**Sciences must have been completed No More than 7 years prior to commencement of the student's initial EOSC Nursing class.*

Optional Electives 0-3

NURS 1002 Math for Medications	2
NURS 2123 Medical Terminology	3
NURS 2133 Health Assessment	3
NURS 2313 Pharmacology in Nursing I	3
NURS 2323 Pharmacology in Nursing II	3
NURS 1032 Nursing Process	2
NURS 2412 EKG Interpretation	2
