Division Dean Kristen Turner recognized Madelyn Burks as Eastern Oklahoma State College's 2021 Outstanding Graduate of the Language, Humanities and Education Division.

Burks graduated in the top 10 percent of her class with an associate degree in pre-elementary education. She began taking classes at Eastern as a concurrent student while attending Crowder High School. Burks maintained a 4.0 overall grade point average and was named to the President's Honor Roll each semester. During her time at Eastern, Burks has been active in the Baptist Collegiate Ministries (BCM) and recently participated in the organization's Spring Retreat mission trip. She is also a member of the Phi Theta Kappa honor society and the McAlester Freewill Baptist Church.

Madelyn is the daughter of K.J. and Cher Burks of Blocker, OK. She plans to attend Northeastern State University this fall to pursue a bachelor's degree in early childhood education.

DIVISION OF LANGUAGE, HUMANITIES & EDUCATION

Pre-Elementary Education (A.A.)

The A.A. in Elementary Education is designed to outline the freshman and sophomore years of study for students who plan to transfer to a university to seek a degree in teacher education with certification for Pre-K through grade six. The requirements are set for this major by the Oklahoma Regents for Higher Education. The student who completes this program at Eastern with a 3.0 GPA or better may expect to be admitted to teacher training programs at regional or comprehensive universities.

Important note: Certain sophomore-level courses in teacher education must be offered by a university with a teacher certification program and not by a two-year college. The student should consult an advisor about opportunities to take these courses while at Eastern from a four year university. See further explanation in the notes below.

Special Notes for Elementary Education:

1. **Preparation for Student Teaching.** In order to be prepared to enter student teaching immediately upon completion of the A.A., students are strongly advised to consider taking the appropriate teacher education (EDUC) courses from a university while they are still enrolled at Eastern. This will include Foundations of Education and a field experience course at all universities and one other supporting course that may vary by university. The courses can be arranged through other universities. Students should consult an advisor for details.
2. **Special Note About Physical Education-Health-Wellness.** Some universities have a requirement for physical education or health or wellness in their general education and/or teacher education curricula. Students should consult their advisors and the catalogs of the universities to which they intend to transfer to determine appropriate courses, if any, to take at Eastern.

DIVISION OF LANGUAGE, HUMANITIES & EDUCATION

English (A.A.)

The A.A. in English is designed to outline the freshman and sopho-

more years of study for students who plan to transfer to a university to major in English or related fields. This program gives those students an excellent foundation in English language and literature. The major is appropriate for those who plan to teach English, to pursue professional writing careers, or to use it as broad liberal arts preparation for professional training in law, business, or other fields. At Eastern students complete the first two years of the bachelor's degree.

Students seeking teacher certification in English (Language Arts) should pay careful attention to the notes accompanying the curriculum below. It is especially important for those students to achieve good grades (3.00 or better) and to acquire proficiency in a foreign language at the advanced elementary level.

Health, Physical Education, and Recreation (A.S.)

The A.S. in Health, Physical Education and Recreation (HPER) is designed to outline the freshman and sophomore years of study for students who plan to teach physical fitness, activities, and other health-related subjects such as weight control in the community and commercial gyms, YMCA's, community youth sport programs, and business fitness centers. The program, as annotated, will also prepare students to pursue teacher certification programs at universities.

University programs in HPER vary widely and often have several options or concentrations available. While at Eastern, students should work closely with advisors and check carefully the course requirements at the universities to which they plan to transfer.

Music (A.A.)

The A.A. in Music is designed to provide the freshman and sophomore years of study for students who plan to transfer to a university to major in music programs. Students may choose to emphasize vocal music, instrumental music, or piano. Music as a career is challenging and satisfying career whether one teaches, is in the music ministry, or works as a performer. Anyone who enjoyed music in high school, who likes to sing, or who plays a band instrument or the piano may find music an ideal profession. Students who plan to seek teacher certification as secondary school music teachers must show proficiency in a foreign language. At Eastern this is done by taking Spanish through the 1215 level.
