The following email was sent to students on May 13, 2020:

Dear Students:

Eastern Oklahoma State College has obtained funding from the federal CARES Act to distribute to students and help with expenses related to the disruption of campus operations due to the COVID-19 pandemic. We are diligently working to finalize our processes to distribute these funds quickly and efficiently.

Who is eligible?

Any EOSC student who was actively enrolled in face-to-face instruction, enrolled in 3 credit hours or more during the Spring 2020 semester and who meets the federal eligibility requirements is eligible for these additional funds.

What do I need to do?

If you have completed the 2019-20 FAFSA and there are no further documents needed on your financial aid file, you have already demonstrated you are eligible for Title IV funds.

You can still complete the FAFSA to become eligible for the CARES Act funds. Please visit www.fafsa.gov and complete your free application. Keep in mind that your eligibility is not tied to your income. If you complete all fields and it processes with no flags, you have met the Title IV eligibility.

Important Notice:

Please note that the funds from the CARES Act should be used to help with expenses due to the disruption of campus operations due to the COVID-19 pandemic.

How much will I receive?

The amount of funds each eligible student will receive will be based on the number of credit hours between 3 (minimum) and 15 (maximum) that the student was enrolled in as of **April 17, 2020**.

How will I receive my funds?

Once your funds are available, they will be disbursed to you through your selected direct deposit designation which would be your student ID/Herring Bank debit card or direct deposit into your personal checking account. To set up, review or change your direct deposit designation, you can log into Web Advisor using your ID and password.

How will I know when my funds are disbursed?

You will receive an email to your EOSC student email from Premier Pay notifying you that your funds have been disbursed.

Will these funds be applied to my EOSC bill?

If you currently owe money to EOSC, these funds will **NOT** be applied to your bill. EOSC is required by federal regulations to pay these funds to you, the student, without applying it to any charges owed. However, once you receive these funds they may be used to pay your EOSC balance. There are two ways to make payments on your EOSC account:

1. You can make a credit card payment through Web Advisor.
2. You can mail in a check to EOSC, Business Office, 1301 West Main, Wilburton, OK 74578.

Remember you cannot enroll or get an official transcript if you have a balance due on your EOSC account.
