

How to Clear the Cache and Cookies in Your Web Browser

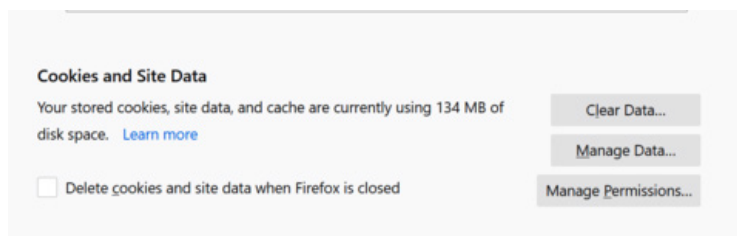

Mozilla Firefox

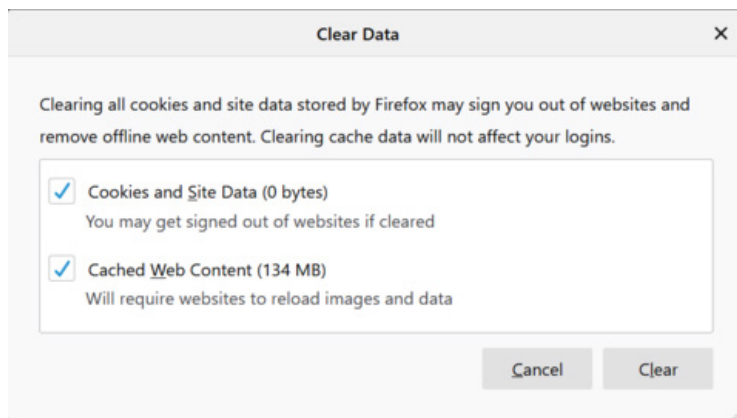

1. Click on the **Tools** bar.
2. Click on **Options** (On Mac, it's labeled **Preferences**).

3. On the menu to the left, select **Privacy & Security**.
4. Under the **Cookies and Site Data** option, click the “**Clear Data...**” button.

5. Select only the two options and hit **Clear**.

6. If on a Windows computer, close and re-open Firefox to save your changes. If on an Apple computer, go to the **Firefox** menu on the top menu bar and select **Quit** for the changes to take effect.
