

## **GENERAL INFORMATION**

Thank you for your interest in Eastern Oklahoma State College (EOSC). Founded in 1908, Eastern is a two-year public college in the Oklahoma State system. Eastern is a friendly college, a place where classes rarely exceed 30 students and where instructors and students know each other well. Eastern offers 36 associate degree programs that prepare graduates for transfer as juniors into bachelor's degree programs. Eastern's current enrollment is composed of over 1,800 students, including International students representing different nations.

This packet is designed to provide prospective international students information necessary to complete the application process for studies at Eastern Oklahoma State College. For purpose of admission, an international student is defined as a student who is a citizen or permanent resident of a country other than the United States and who is or will be temporarily in the United States on a non-immigrant status.

## **LOCATION AND CLIMATE**

The Eastern campus is located in Wilburton, Oklahoma, in the heart of a beautiful valley between the SanBois and Winding Stair Mountain Ranges. Forest-covered mountains, mountain streams and nearby Robbers Cave State Park provides a great outdoors playground for swimming, fishing, hunting, picnicking and driving year round. The community is located 2 hours from Tulsa, Oklahoma and 3 hours from Oklahoma City, Oklahoma, two major metropolitan areas. Both cities have an international airport.

Oklahoma is in the south central part of the United States, where the winters are usually mild and the summers are hot and dry. During January and February, the temperatures are frequently 0 degrees C or lower. During July and August, the temperatures are often 38 degrees C.

**CAMPUS HOUSING:** Living on campus at Eastern is an integral part of a student's educational experience. The purpose of living on campus is to provide opportunities and services beneficial to a student's success. Studies show that students who live on campus attain a higher grade point average than those who do not. On-campus students have access to computers, study labs, the library and tutoring facilities as well as greater interaction with faculty. Eastern provides three dormitories and one meal plan to choose from.
